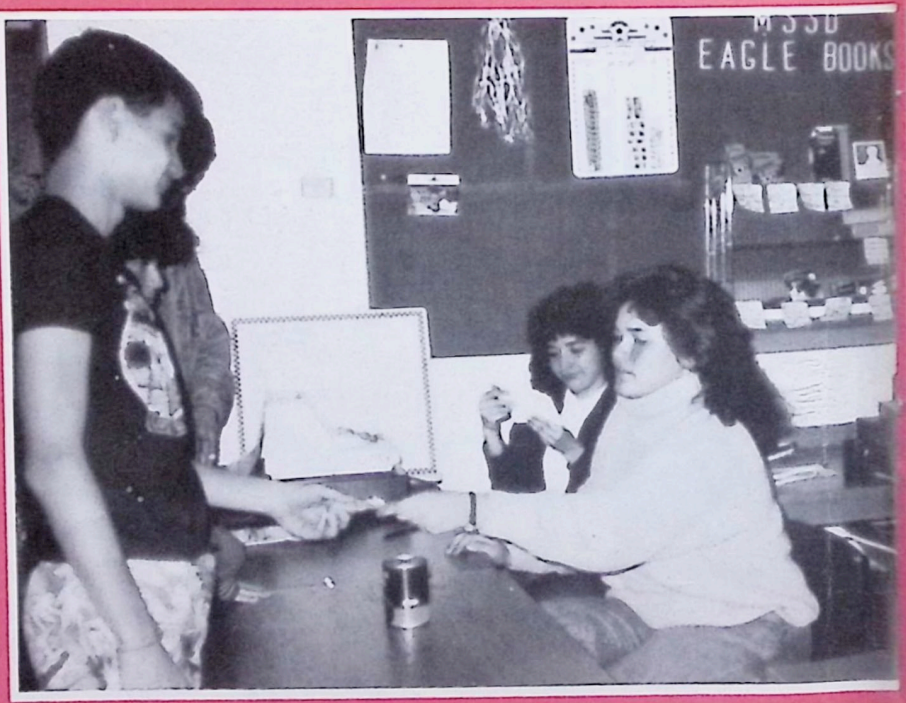
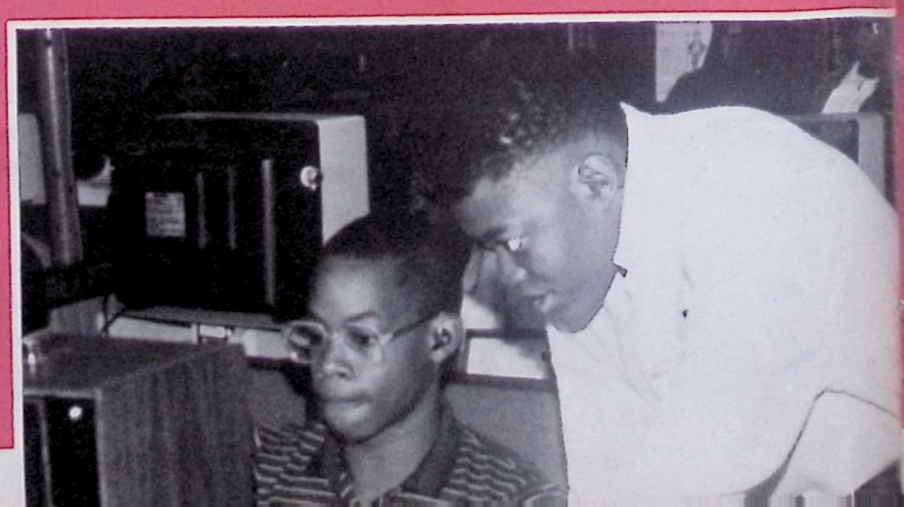
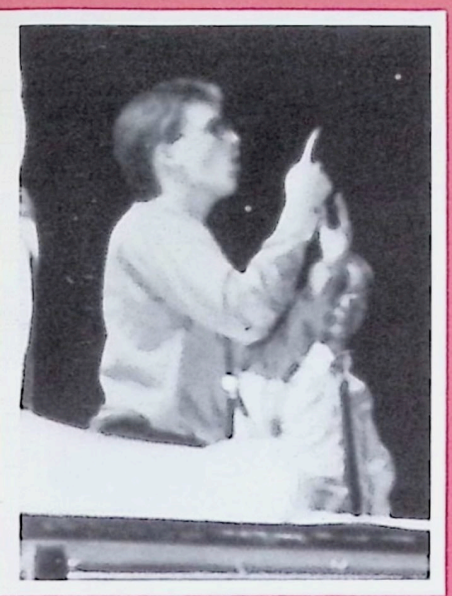
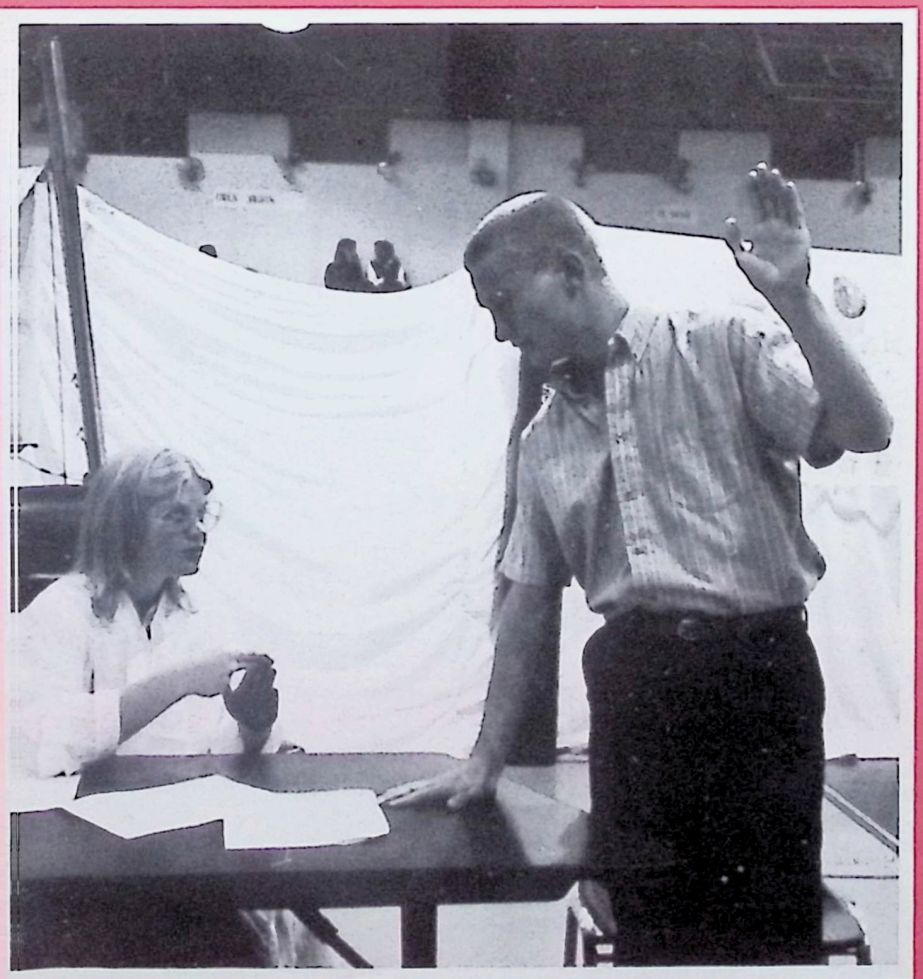
IN GOOD HANDS

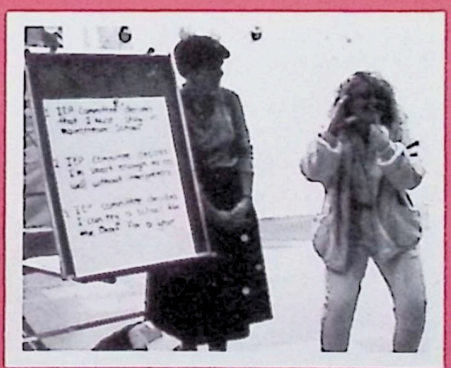
The Model Secondary School for the Deaf is in good hands: An administration who cares, exceptional teachers, and a warm and giving residence staff. But what really makes MSSD special is that we, the students, are involved in making things happen in our school. Everywhere you look you'll see students helping the MSSD community run smoothly. You can watch Peer Advisors welcome new students to campus, or attend a school meeting run by Student Body Government Officers. On Tuesday nights you'll find justice being served by the student Judicial Board. If you're hungry or need supplies, you can go to the Eagle Center Snack Bar or Bookstore which are both managed by students. These are just a few examples; flip through these pages and we think you'll agree that MSSD is IN OUR HANDS.







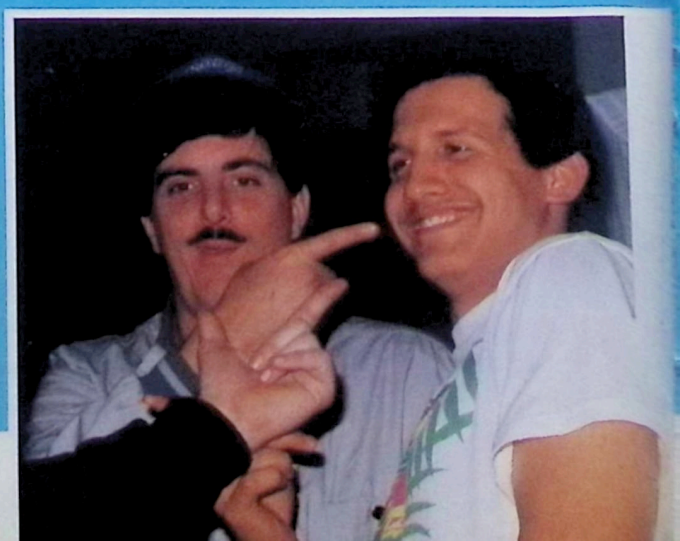


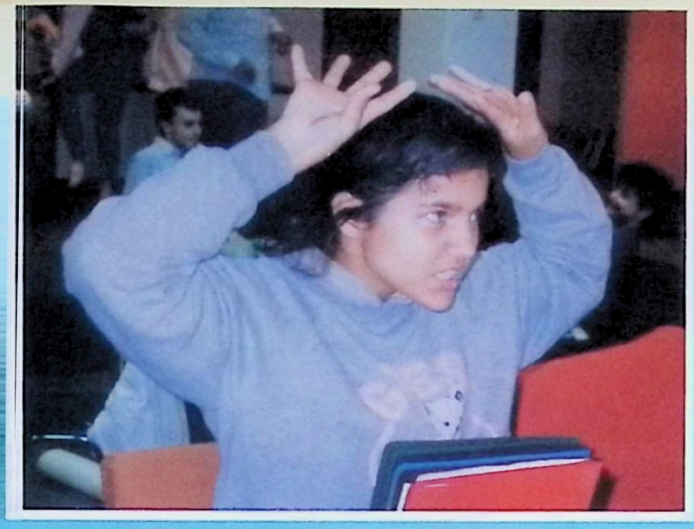


IN OUR HANDS

A Thousand Words

Here at the Model Secondary School for the Deaf, communication is very clearly IN OUR HANDS. You can see hands flying everywhere: in the classroom, on the athletic field, and in the dorms. We learn with our hands, ask questions, get angry and make friends. With sign language we express our feelings, our goals and our dreams for the future. We share who we are with our hands. Without sign language, MSSD would not be IN OUR HANDS.





Kevin -
Good knowing you this year!
Hope to see you this summer!
Keep on P.T.U.D.
with SPUDS + Bud Light + with all those tits + asses of babes!
Take Care +
Party Safe!
Chris Lambert '89

"In my opinion, sign language is the most important thing that ever happened to me.
— Julie Langston

Signing is a way of sharing ideas, opinions and facts with one another.
— Traci Shannon

Sign language is very important to me and to everyone. If there is no communication, how are we to make friends?
— Lisa Drucker

It's better for us to communicate than to be vegetables! We use our hands to understand each other and we'll use them everyday till we're buried 6 feet in the ground.
— Peggy St. John"

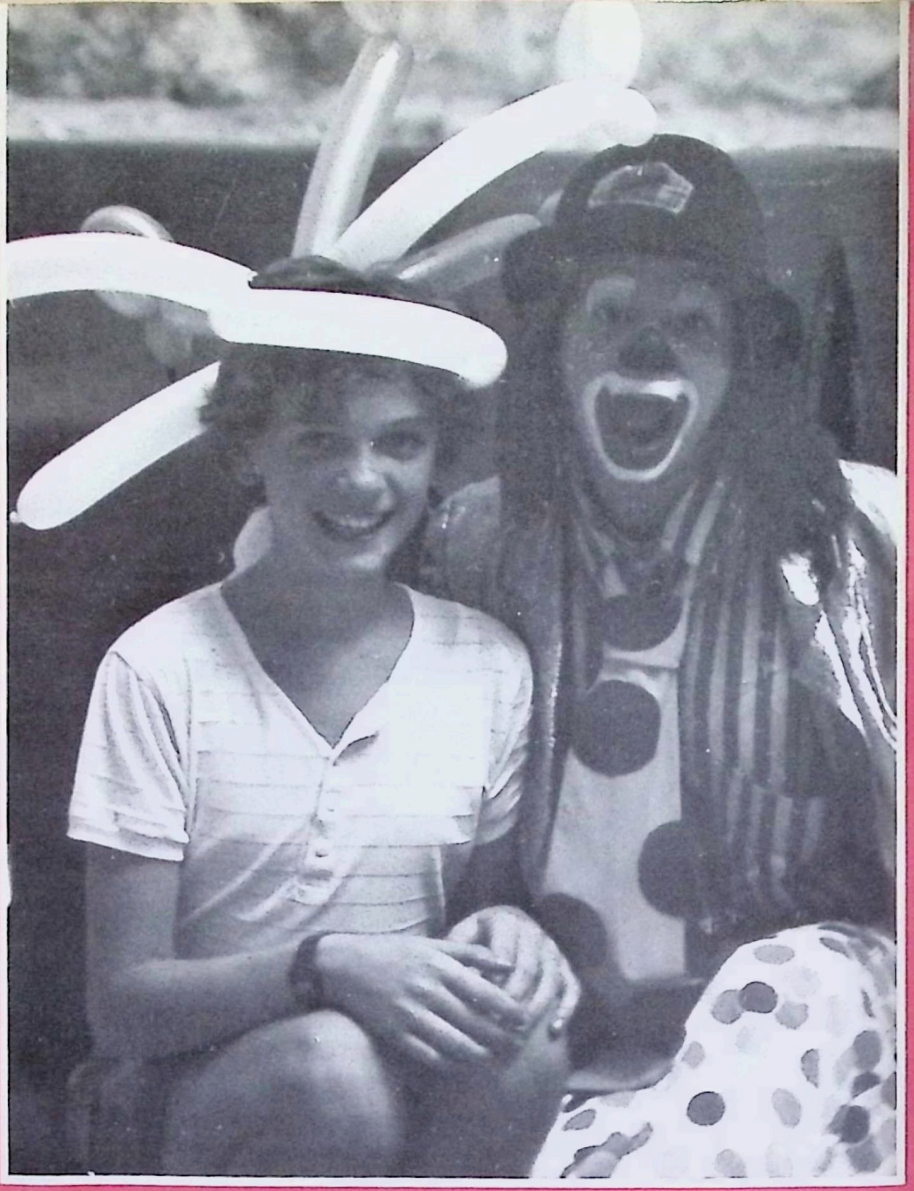
Spirit Soars

Eagle spirit soared high during Homecoming week. Throughout the week each class competed long and hard to win the award for having the most school spirit. Posters and banners were made, skits were prepared and every day brought a colorful display of Eagle fashion. Red, white and blue was seen everywhere: on hats, on clothes, but most of all on creatively painted faces. Seniors just barely defeated the underclassmen, but it's obvious that all students are proud to be MSSD Eagles!



MSSD

MSSD

New Students: But not for long!

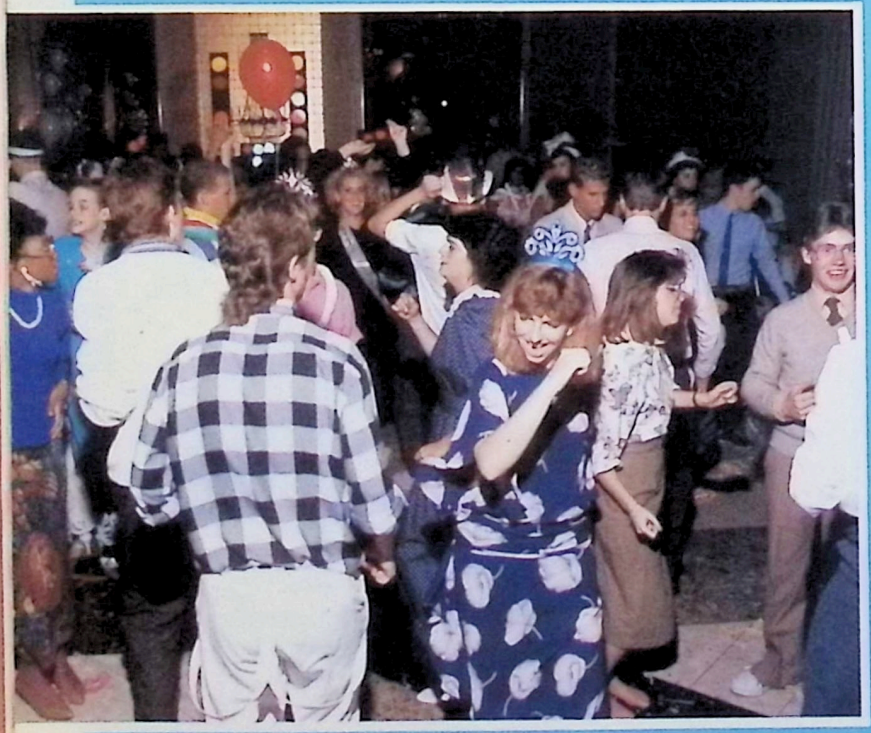
"The things I like about MSSD are that the education is better and there are more activities than my old school. MSSD people make new students feel welcome. I have a great life here at MSSD."
— Tad Freeman

"MSSD has great programs, classes and activities here for me to participate in. There are so many things for me to do, I am very busy. MSSD really impressed me, it's the best school I have ever gone to in my whole life."
— Alex Jones

"I really do like MSSD better than mainstream school. There are a lot of activities and things to do. WOW! I have been so busy lately. I love MSSD!
— Kathy Brockway"

The Best Ever

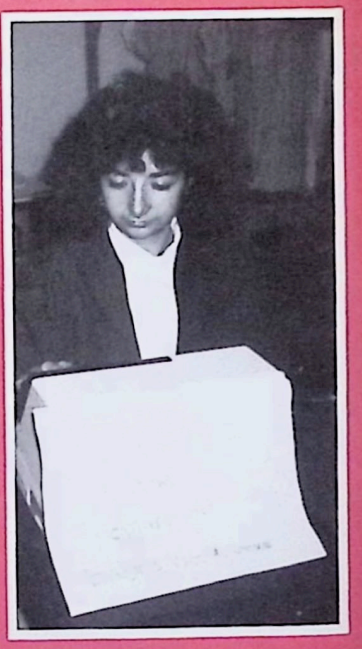
The 1988 Homecoming may have been the best in the history of MSSD. Beautiful blue skies welcomed hundreds of balloons during the opening ceremony, an impressive Homecoming court was selected from the senior class and Anthony Jones and Abby Finkle were crowned King and Queen. Not surprisingly, the football team went on to win an easy victory over Poolesville — 35 to 8. The exciting day ended in style as beautifully dressed students celebrated at the dance held at Martin's Crosswinds.

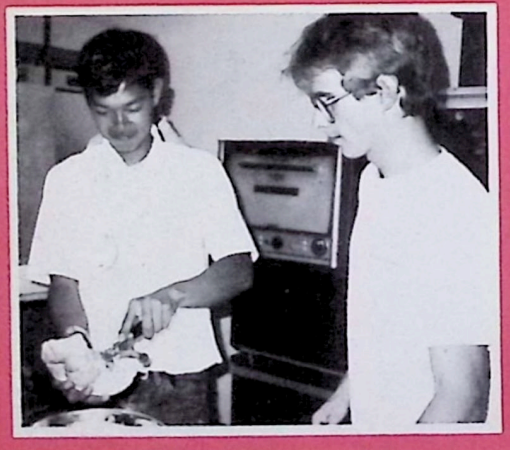


HOMECOMING '88

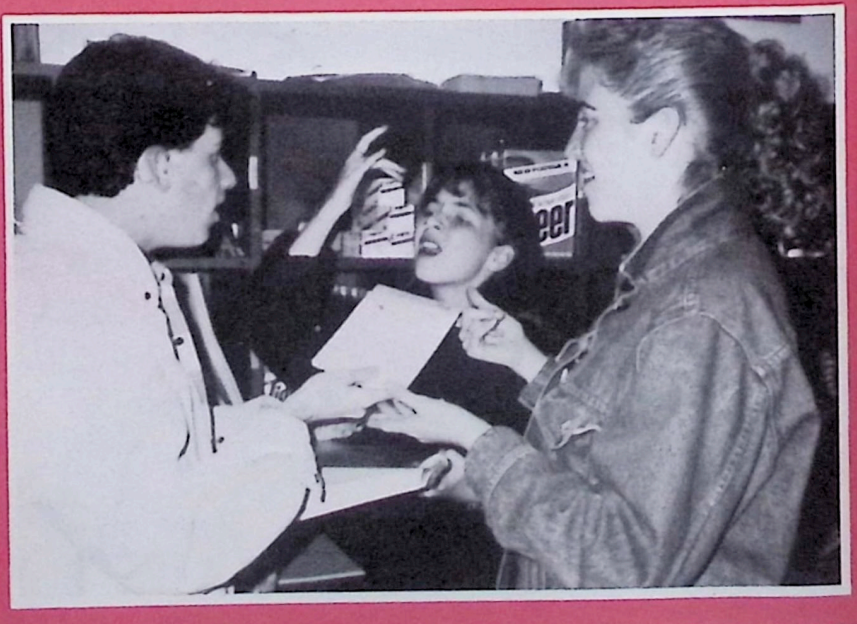
Eagle Center the place to be

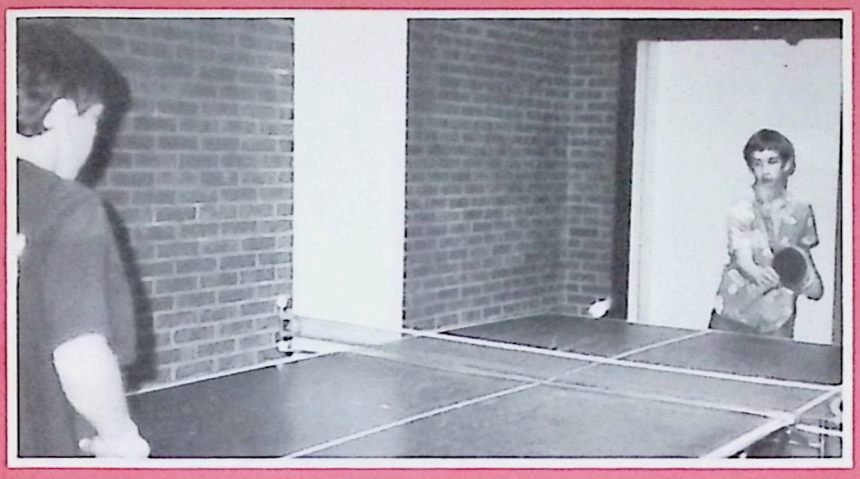
Where will you find most students between 7:30 and 9:30pm? In the Eagle Center of course! The snack bar which sells everything from candy to pizza seems to be the biggest attraction, but students can shop at the Eagle Bookstore or watch a movie on the big screen T.V. Some students even go to the Eagle Center to work; it's managed entirely by students. But most students just go and socialize with friends. You'll find a lot of hot competition too. Whether it's ping pong, foos ball or a game of four square outside, it's all played for fun. For a good time the Eagle Center is definitely the place to be.





"I go to the Eagle Center to meet my friends, yes — but also to consume hamburgers."
— Sarah Huffman





"I enjoy watching movies and socializing with friends."
— George Mawhoeter

"My favorite food at the Snack Bar is Steak Ummms and Pizza, but I go to the Eagle Center for both food and interaction."
— Paula Busanic

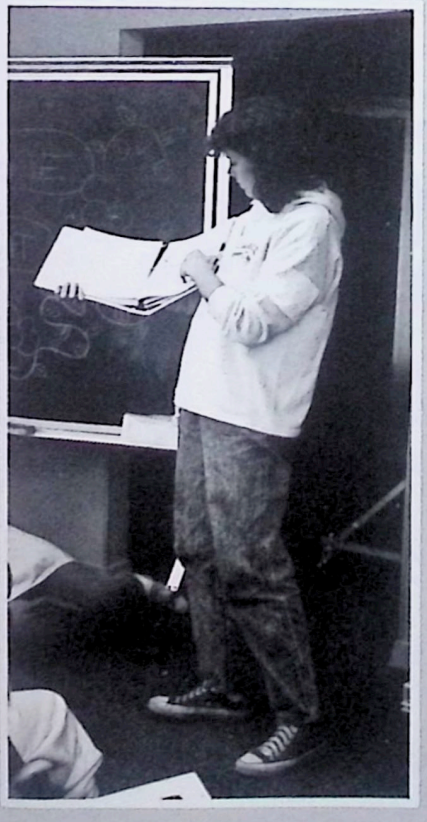
Training Apartment Program

Mmmm Delicious!!! Guest speaker Cheryl Jones (left), demonstrates how to microwave meatballs during one of the Training Apt. Program workshops. On a weekly shopping trip, Denise Gregory (below) looks for the tenderest beef at the best price.



Peer Advisor, Wendy Stanley (far left) explains part of the Training Apartment Handbook during a weekend training retreat. Above: Homemade cookies and sweets tempt students, staff and faculty, part of the December Holiday Spirit Week celebrations. Left: Santa Claus, played by Eddie Haggerty, delivers a gift to Judith Treesburg, Esme Farb's mother.

There is never a dull moment in the Performing Arts Department at MSSD. This year started with a dazzling Fall Dance Concert, followed by the Winter Showcase Festival which included a peaceful show called "Winds of the Heart" and a side splitting mime: "Treats. Tricks and a Trunk". When a performance isn't in progress, there are always workshops or special guest artists. Of course the highlight of the year will be the big Spring production and festival in May.

Dear Kevin,
It has been a great year - You are a very talented volleyball player as well as a special young man. It has been my pleasure to get to know you and I'm looking forward to another great year. Your friend Eddie

Right: 1988 Mr. and Miss MSSD and Runners-Up: (l to r) Lori Earls, Maria Dimopoulou, Michelle Wynn, Regina Christopher, Jeanette Pereira, Alex Jones, Kelby Brick, Mike Rivera, Don Cochran, R. J. Kaufman. Center: 1986 Miss MSSD: Mary Slack, gives an enthusiastic farewell speech before giving up her crown. Below: Anthony Jones lends a hand to the soon to be crowned Miss MSSD and the full company gathers on stage to perform a spirited tribute to MSSD.

Pageant Finalists
Mr. & Miss MSSD: Alexander Jones and Jeanette Pereira
1st Runners-Up: Kelby Brick and Regina Christopher
2nd Runners-Up: Mike Rivera and Michelle Wynn
3rd Runners-Up: Don Cochran and Maria Dimopoulou
4th Runners-Up: R. J. Kaufman and Lori Earls
Talent Competition
1st Place: Jeanette Pereira and Alexander Jones
2nd Place: Regina Christopher and Mike Rivera
Formal Attire
1st Place: Maria Dimopoulou and R. J. Kaufman
2nd Place: Regina Christopher and Mike Rivera
Mr. and Miss Congeniality:
Vestie Jennings and Alexander Jones

Top Right: First Runner-Up Regina Christopher performs a delightful and humorous Tap dance. Right: Heart-throb, Mike Rivera sings of his love to an adoring audience.

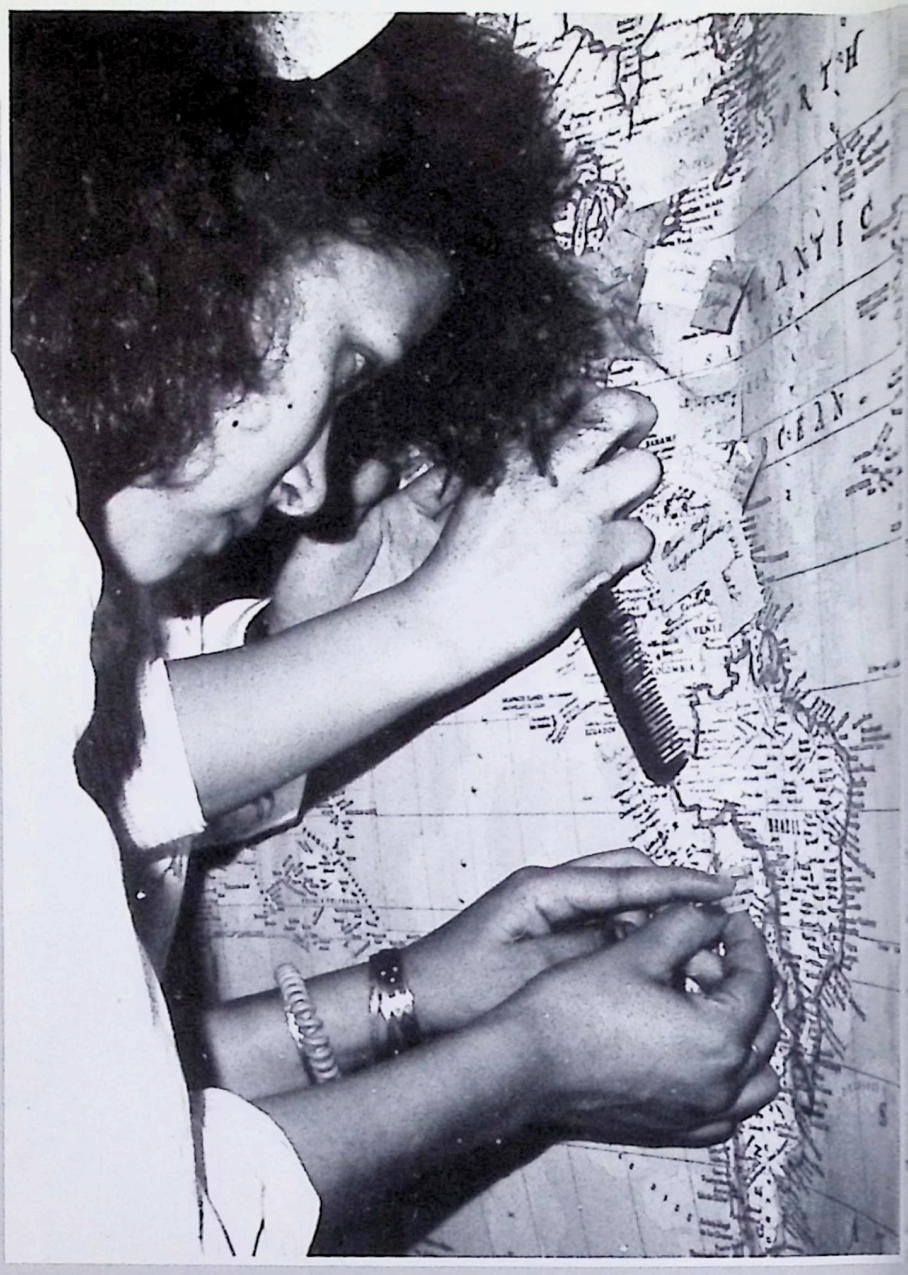
1988 Mr. and Miss MSSD

How do you feel to be selected as Miss/Mr. MSSD for 1988-89? Jeanette: Surprised and proud to represent a school like MSSD. Alex: I feel pretty shocked, and proud because I worked so hard.

Since you have been chosen to represent the whole school, what improvements would you like to see? Jeanette: I would like to: see more activities for students to develop their leadership; see a reduction in gossiping and rumor spreading, to make MSSD an even better drug-free school. Alex: I would like to improve dorm life since rules can make students' lives harder.

Top Right: With a sparkle all their own, Masters of Ceremonies, Anthony Jones and Abby Finkle guide the audience through the evening. Voted Miss Congeniality, Vestie Jenning's friendliness and warmth is evident in her talent presentation. Left: Mr. and Miss MSSD 1988: Jeanette Pereira and Alexander Jones. These winners also came in first place in talent competition and Alex Jones holds a second title of Mr. Congeniality.

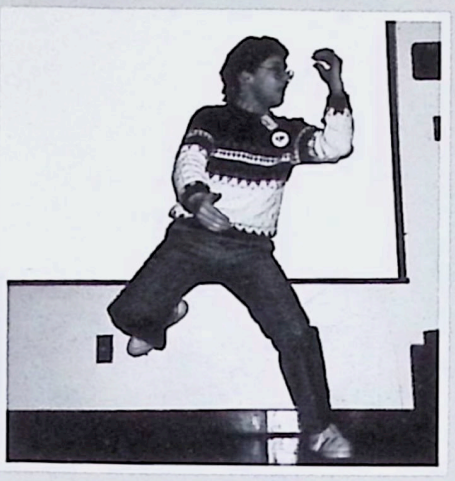
MSSD'S

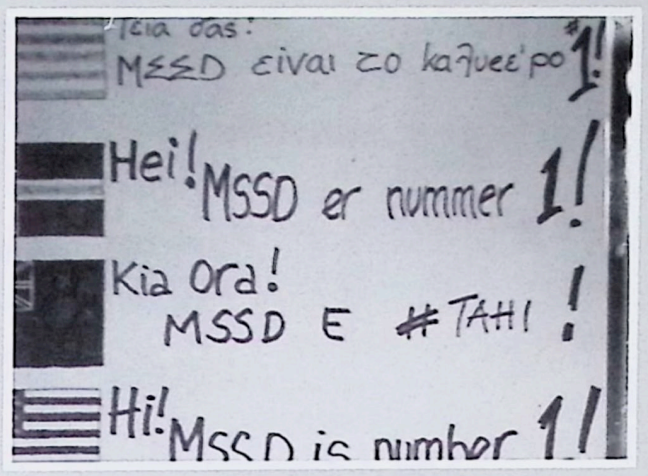


Right: Liz Horvath places her name on Bolivia, her native country, during Student Development's Journey Around the World. Below: Stephen Hooker is always ready to tell fellow students about his homeland New Zealand.

Above: U-Wen Wong explains to a friend what life is like in Singapore. Right: Hilde Haualand from Norway displays some things from her homeland and willingly answers students' questions.

International Flavor





Clockwise from top left: Stephen Hooker demonstrates a Mauri war dance from New Zealand. School spirit comes in many different languages. Rami Abukishk, from the United Arab Emirates, teaches Frank Bystrycki a typical Arabian Dance. Hilde Haualand welcomes new student Claudine Umuvyeyi, who has just arrived from Central Africa. Georgia and Maria Dimopoulou answer questions about their home in Greece.

Always a Friendly Smile

For years Kitty Teel sat at the front desk in the school building greeting everyone with a friendly smile. With one hand on the phone and the other hand answering questions or waving a welcome, Kitty was always there serving MSSD in a multitude of ways. This October, Kitty retired and left an empty place at MSSD that can not easily be filled. The Yearbook staff would like to take this opportunity to say: THANK YOU, KITTY, we miss you!

WHO DID IT?

Blood spattered newspapers litter the floor, overturned furniture, a black-mail note, a pair of bloody scissors . . . Evidence of a fight? or maybe a murder? Students in the Advanced Placement English/Social Studies class investigate the scene of the "crime".

Keeping Busy After School

It's three o'clock and the last class is finished for the day. Students come streaming out of classrooms and head for the dorms. Is it time for a quiet nap before dinner? Not exactly, 3-5pm happens to be one of the busiest times of the day. Whether a student is studying, practicing for a ball game, or participating in the many Club activities, he's sure to be busy after school.

Bonita Ewan and Bobby Conner (left) use their imagination to create masks, one of the many activities provided by the Media Club. (below) It takes concentration, and teamwork to create a good layout. MOM IDA: Always There For Us

Ida Vernon went back to school and earned her Bachelor of Arts degree in Social Work from Gallaudet University when she was 67 years old. Although Ida already had 6 children and 19 grandchildren, she made it her job to be a "Mom" to all the Hearing-impaired students she worked with. Since 1985 we have been lucky to have "Mom Ida" working with us in the dorms. Next year she will leave us to work with deaf people in Hawaii. We will certainly miss her and we thank her for always being such a wonderful "Mom" to all of us at MSSD.

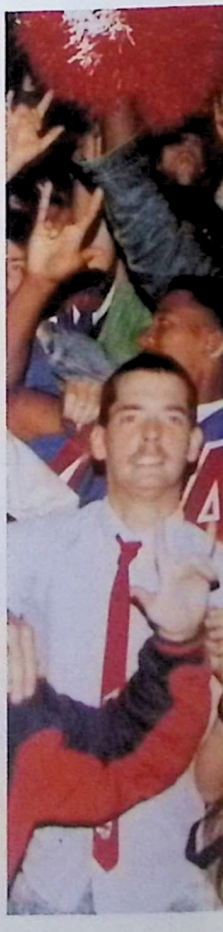
Seniors:

Remember,
No matter where you are
If you need a friend
The class of '88
Will always be . . .
Somewhere out there.

Somewhere out there
Beneath the pale moonlight.
Someone's thinking of you
And loving you tonight.



And even though I know
How very far apart we are,
It helps to think we might be
Wishing on the same bright star.

And when the night wind starts to sing
A lonesome lullaby,
It helps to think we're sleeping
Underneath the same big sky.

Somewhere out there
If love can see us through,
Then we'll be together
Somewhere out there —
Out where dreams come true.

TRI-STATE CHAMPIONS

Although the 1987 football team was small in number, low in experience and had a new coaching staff, they finished the year with a 7-3 record and the league championship. The season began with a surprising victory over Manassas Park, but slowed down as we lost the next 2 games. Coach Andy Bonheyo turned the season around by focusing on the running game and starting freshman Stefan Bergan as quarterback. After a 48-6 victory over Maryland School for the Deaf the Eagles continued to put away one win after another. Anthony Jones became the team's "Mr. Everything" and gained recognition as Player of the Week by the Wash. Post after his performance in the game against Quantico. The season ended on a high against defending league champions Colonial Beach. The final score was 49-0 and we were the champions for the first time since 1983.

1987
Girls Volleyball Team

The girl's volleyball team had a good season this year with a record of 20 wins, 10 losses, and 2 ties. They ended the season with a second place award in the Potomac Valley Athletic conference tournament. Throughout the season, senior Kelly Coxen was the team's key player. With her excellent performance of spiking and serving she earned recognition nine times as Player of the Game. Kelly and junior Ruth Lummer were selected to the All-Stars team in the MSSD Invitational tournament, All-Conference and PVAC.

Cross Country

The Cross Country team's league record this year was 26-6, and was the best season they've had. Both the boys and girls team worked very hard and their excellent team records and individual record times prove this. Leading the team were Don Lucas, who broke MSSD's record time and Billy Cooper from the boy's team. Sin-Yi Ko and Debbie Fumanti both broke the MSSD girl's record time. The season ended on a high note with both teams placing third in the Potomac Valley Athletic Conference tournament.

Varsity Girl's Basketball

The MSSD Varsity girls team has compiled a 17-1 record with 14 consecutive wins. The Riverdale Baptist game was a memorable one because it was at that game that the old record of 10 consecutive wins was broken. The team, with leading scorer Linda Hartzog, has prospered since early in the season. Praise also goes to Kelly Coxen, Ruth Lummer, Lee Kowalsky, Cathy Constabileo and Caroline Terrant. In the 55-49 game with Burke, Linda Hartzog broke the 1,000 point with a total of 1,011 points. Linda was chosen to play on the girls basketball team in the World Games for the Deaf.

Varsity Boys Basketball

MSSD now sports its 7th consecutive non-losing season as well as winning the regular Tri-State League competition for the first time. The 1987-1988 team broke 18 team records; averaging 83.1 points per game and beating opponents by an average of 17 points per game. The strengths of the team are many and varied. During games, we were able to change our offensive and defensive strategies according to our opponent's strengths, making us an excellent transitional team. What makes this team dangerous in the transition game is that all players can run in the fastbreak strategy. Getting out of trouble on the court is a challenge that the team takes very seriously. By being creative in their offensive and defensive strategies the team brought MSSD another winning season.

J.V. Girl's Basketball

The J.V. Girl's Basketball team compiled a winning record so far this season with a record of 6 wins and 4 losses. Under coach Sandy Ewan the team has shown a lot of potential for the Varsity level. Crystal Washington and Kim Silver are in hot competition as the team's leading scorers. Crystal presently leads the team with an average of 5.3 points per game, with Kim second with 4.7 points per game. Both Crystal and Kim have accounted for the team's only three point shots this season. Almost all the games the girls have played this year have been very close. Coach Sandy Ewan says he expects his team to provide many valuable assets to Varsity Team next year.

The Peer Advisor program offers students an opportunity to develop leadership and advising skills and to take a more active role in the school community. Students organize and run program events, give school tours and participate in a variety of workshops. The Peer Advisor program gives students more responsibility for themselves and for the school. By developing better student leaders, all students can become really important members of the MSSD community.

Aerie: MSSD's Literary Magazine

Being involved with the Aerie gives students an opportunity to write poetry and short stories and to publish their photographs and art work. The word "Aerie"means: a lofty nest of an eagle. The name is appropriate for our magazine because MSSD is a "lofty nest" and every year there are newborn writers in the Aerie.

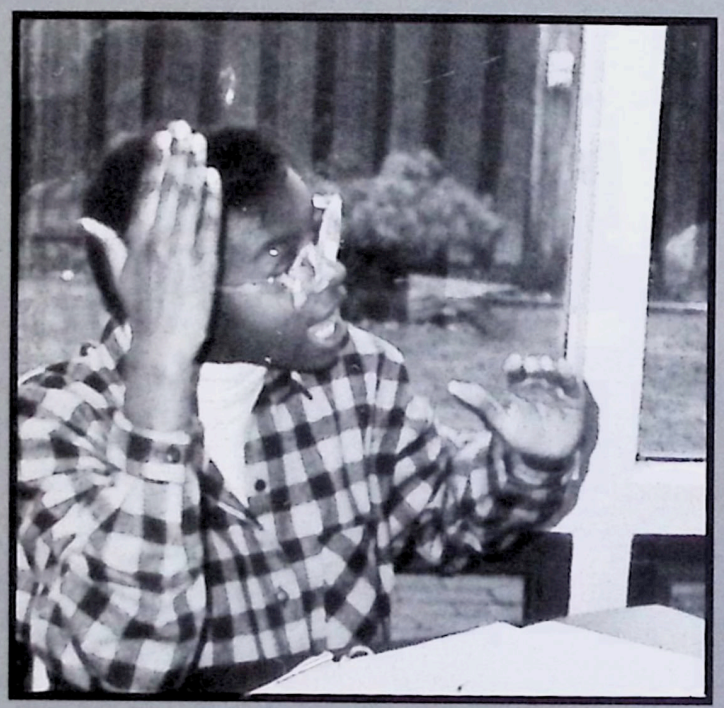
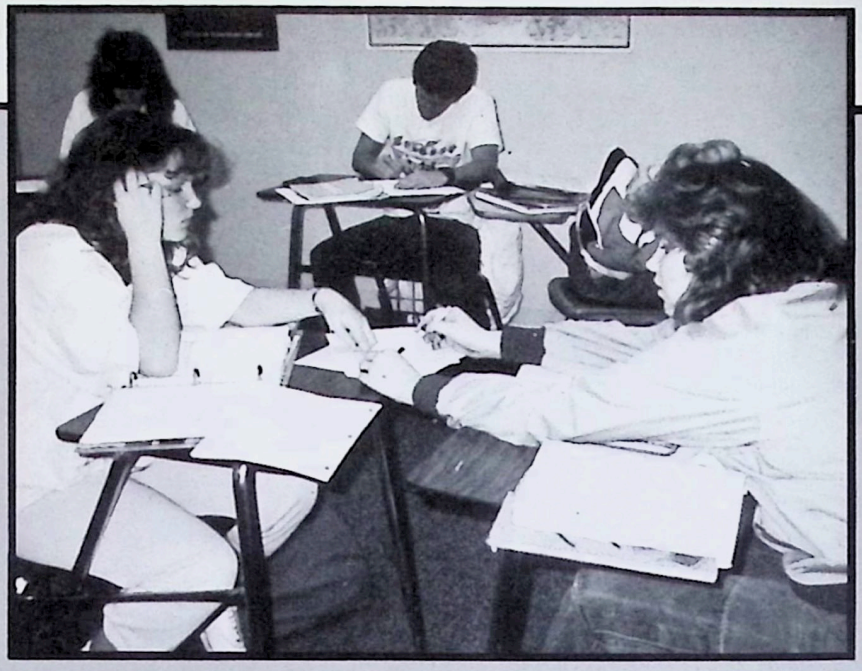
Post-secondary Enrichment Program



A Bridge to the Future

MSSD's Postsecondary Enrichment Program (PEP) is a stepping stone between high school and college. PEP students take classes each morning and small group tutoring sessions fill each afternoon. But the PEP curriculum does not end with the classroom hours. Dorm life provides an enjoyable environment for study and growth. Although PEP students find time to relax and enjoy themselves, the emphasis in the program is definitely on studying HARD.



Two heads are better than one: Leslie Chichoski and Deanna Karr find the old saying is true as they work together on an assignment.

This Is Now . . .

As we look through this yearbook, we see our lives here at MSSD reflected on these pages — the good times and the bad, the learning and the struggles. Not so long from now we will look at these pages and remember our dreams and hopes for the future. Will they become a reality? That is our challenge which we accept with anticipation. We're ready to move toward the future . . . NOW.

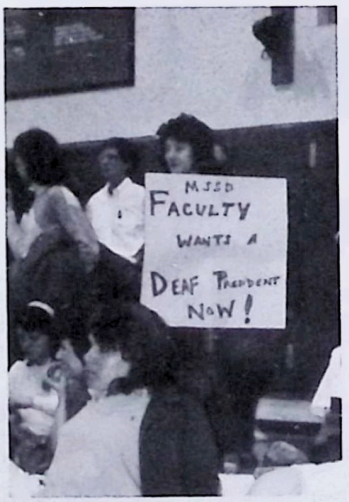
IT'S TIME



To Put the Future
IN OUR HANDS

No one at MSSD will ever forget what happened during the week of March 6th — 13th. It began when the Board of Trustees chose another hearing person to be the next President of Gallaudet University. Our demand that the future of the University and MSSD be placed in the hands of a deaf person was denied. But we did not give up! After a week of protests, rallys, and marches, we achieved our goal. Dr. I. King Jordan was selected as the first deaf President of Gallaudet University. It was a week of deaf unity and pride and we, the students of MSSD will never be the same again. We helped change the course of history for deaf people everywhere, and we will continue the fight to keep the future of our school and our lives IN OUR HANDS.

Kevin,
I guess we really got off on a bad foot last fall huh?! Well now things have changed and I think it's for the best. Hopefully we'll allow our friendship develop next year. Good Luck in all you do & Never Forget me!

Love ya,
Lisa McKinney

Kevin,
Have a great summer. Thanks for being one of my favorite guys to work with this year. I really enjoyed working with you this year. Thanks for our friendship. Remember always, Hope see you in the fall. We'll have a great time together in the class of Development. Good luck all you do and have a blast summer!
Love always,
Lisa Beaufait

Kevin,
It's a great pleasure having you in the way you played the game like me (Volleyball). You did a great job in every game you played in volleyball. I learned a lot from you for some time. I hope you learn the best you can from this year. Keep up the good work and I'm sure you'll be a great player in volleyball. I turn this year's field over to my own heart. Bobby (Wing)

Kevin,
I have a great time in MSSD with you in Sport Football you are good block, spirit! See me 9 10 & 11 Have a great Summer
